

Email erstellen in Service Champion

The screenshot shows the ServiceChampion web application interface. A green arrow points to the 'Neu' button in the top navigation bar. Another green arrow points to the 'Nachricht' option in the 'Neues Element anlegen' dialog box. The dialog box lists various elements that can be created: Kunde, Nachricht, Objekt, Produkt, Ticket, Vorgang, Auftrag, Lieferant, and Eventtyp. The background shows a table of user data and a sidebar with support information.

The screenshot shows the 'Nachricht erstellen' (Create Message) form in the ServiceChampion web application. The form includes fields for 'An' (To), 'Cc' (Carbon Copy), and 'Bcc' (Blind Carbon Copy). A green arrow points to the 'An' field, which is labeled 'Empfänger suchen' (Search Recipient). Another green arrow points to the 'Cc' and 'Bcc' fields, which are labeled 'Cc und Bcc Empfänger hinzufügen' (Add Cc and Bcc Recipients). A third green arrow points to the '+' button next to the 'An' field, which is labeled 'Empfänger hinzufügen mit \'+\' (Add Recipient with \'+\'). The form also includes a 'Von' (From) field and a 'Betreff' (Subject) field. The background shows a table of user data and a sidebar with support information.
